METHODISTS SERIES OF MEETINGS

Rev. Randolph Having An Evangelistic Campaign This Week. Night Services.

A series of evangelistic campaign services are in progress at the Methodist church every evening of this week. Rev. J. R. Randolph, pastor of the church, is carrying on the meeting without the aid of a visiting minister, and he delivers an evangelistic sermon.

In taking the religious census of the city, it was found there were a hundred or more Methodists in the town who are not members of the church, and this prompted the pastor to hold this evangelistic meeting.

On Thanksgiving eve, the Methodists and Baptists will unite in their weekly prayer services, the Rev. E. C. Nall, pastor of the Baptist church, having called in his service owing to the revival meeting.

The services every evening begin at 7:15 o'clock. There are no afternoon services.

The funeral was held in Hawesville Methodist church Thursday afternoon with interment in the cemetery on the hill. Rev. H. H. Napier conducted the service.

Before her marriage Mrs. Kyler was Miss Mary Weatherholt and was born and reared in Tobinsport, Ind. She was 74 years old.

Besides her husband she is survived by two sons, Messrs. C. B. Kyler, of Evansville, Ind., and William Kyler, of Louisville. Two daughters, Mrs. T. S. Nicholas, of this city, and Mrs. Hubert McMillen, of Evansville, Ind.

NO DATE FOR OPENING L. L. MARKET

C'port. Loose Leaf House Will Delay Opening Owing to Market. Mr. Boyle is in the County.

No date can be set at present for the opening of the Loose Leaf market at Cloverport. But very little tobacco is stripped, and there seems to be a disposition on the part of some of the buyers to open later than we expected. However, we will open as soon as we think best for the good of the market.

Prices do not look good at present. If it is best for the farmers to open early we would be more than glad to do it, but we will have to wait until a sufficient number of buyers are ready.

J. Walter Boyle is in the county looking at the tobacco and working in the interest of the Loose Leaf market. He reports prospects good for larger sales this year than last.

We will notify through the columns of The Breckenridge News the exact date of the opening of the local market.

ANNOUNCEMENT

Judge D. D. Dowell, having resigned his position as Cashier, of The Bank of Hardinsburg & Trust Company, as shown by his letter of resignation published, dated November 18th, 1920. The Directors of The Bank of Hardinsburg & Trust Co., met in regular session at its place of business in Hardinsburg, Ky., on November 22, 1920, and accepted the resignation of Judge D. D. Dowell, as Cashier by resolution, thereupon by unanimous vote of the directors of said Institution. B. F. Beard was elected active Vice President and General Manager of said Institution. This choice was predicated solely upon the unusual business ability that B. F. Beard, eldest son of the late M. H. Beard, former Cashier of this Institution, has manifested since his connection therewith as Assistant Cashier for about 18 months past. It is a compliment, after the close observation of said B. F. Beard by the Board, that it unanimously concluded that he very justly merited this compliment in view of the ability he possesses together with the trait of industry and business qualification which marks him as especially fit for this position. Mr. Beard's personal habits, his industry and qualification render imperative and inevitable his steady advancement at the hands of the Board of Directors of this Institution.

Thereupon, by unanimous vote, Mr. Geo. E. Bess, who has been connected with this bank for about 4 years, in the capacity of Manager of the Trust Department and whose especial qualifications for banking are now widely known, was unanimously elected to the position of Cashier of said Bank.

Mr. Morris Miller, who has been with the Bank for the past twelve months, was then elected Assistant Cashier.

As stated in its resolution accepting the resignation of Judge D. D. Dowell as Cashier, the Directors did so with deep regret, because Judge Dowell's administration as Cashier of said Institution was eminently satisfactory to the Bank and its many patrons.

The policies of the Bank which have been maintained in the past and which have brought to the Institution such well known results will be adhered to in the future.

Respectfully,
M. D. Beard, President,
of The Bank of Hardinsburg & Trust Co.

LETTER OF RESIGNATION

At a meeting of the Directors of The Bank of Hardinsburg & Trust Company, held at Hardinsburg, Kentucky on the 22nd, definite time, I hereby tender my resignation as Cashier and said Institution presented the following letter of resignation.

"Hardinsburg, Kentucky, November, 18th, 1920.

To the President and Board of Directors,
Bank of Hardinsburg & Trust Company,

Gentlemen:

After several months of earnest thought and upon the advice of our physician, I am convinced that I will have to take my wife to a different climate for the winter months. And in view of the fact that I may have to remain away for an in-day of November, 1920, Judge D. D. Dowell, Cashier of Director of the bank.

This decision, as many of you know, has not been made hastily, and however much as I regret to sever my connection with the institution, I realize my duty to her is first and my decision and action are unmistakably correct.

With a feeling of never ending appreciation and loyalty to you and the entire working force of this institution, I am,

Most cordially and sincerely yours,
D. D. Dowell,"

RESOLUTIONS ADOPTED

Upon motion made and seconded said resignation was accepted by the Board of Directors and in so doing the following Resolutions were presented and unanimously passed:

Resolved, by the Board of Directors of The Bank of Hardinsburg & Trust Company, in meeting assembled that the resignation of Judge D. D. Dowell, Cashier of said Bank & Trust Company, is received and accepted with profound feeling of regret on the part of said institution, although the said Directors were fully aware and have been for sometime past that Judge Dowell's connection with this institution would sooner or later be severed on account of the illness of his wife, as her

physical condition is such as to render her residing in this climate impossible to conserve her health.

Be it further resolved that the Directors of this Institution takes great pleasure in announcing that in Judge D. D. Dowell, former cashier of this Institution it found a courteous, competent, industrious, qualified and honorable employee, and that his loss, this Institution feels deeply. Judge Dowell was always exceedingly courteous and kindly in his dealings with our patrons and they were pleased with him in his official capacity in said bank.

Further we recommend to whosoever it may concern that Judge D. D. Dowell, is an honorable, upright and qualified gentleman, well qualified in any business that he may undertake and that in any position of responsibility any person or concern would find him a valuable employee in every particular and possessed of every qualification that would render him particular advantageous to any person or concern with whom he may, in the future, be connected.

"WHERE COURTESY REIGNS"

FOOLING WITH HEALTH SERIOUS

I have frequently asked druggists "What do you push in a blood medicine?" The answer usually came, "The kind I can make the most money on." My answer has always been "Not me." I have succeeded pretty well and I have always recommended the one that I had found by experience to be the best and the one I would be willing to take myself or give to members of my own family. I have never offered the public a medicine that we do not use at home. This is why I can offer "Number 40 For The Blood," with a clear conscience; we have not only tried it on thousands of others, but on ourselves.

We take it in all cases where a blood medicine is needed, no matter in what form it shows itself and we get splendid results in rheumatism, catarrh, constipation, kidney, stomach and liver troubles. I firmly believe if everyone would begin in the spring and take "Number 40" they would escape malaria and fevers in all forms. J. C. Mendenhall, 40 years a druggist in your neighborhood sells Number 40, but if it happens that he does not, send direct to J. C. Mendenhall Medicine Company, Evansville, Indiana, and receive it delivered to you at \$1.25 per bottle, six bottles for \$7.00.

Many a Brain Is Trying to Work With Weak, Thin Blood.

MORE RICH, RED BLOOD NEEDED

Pepto-Mangan Gives You the Health to Tackle Your Daily Work With Vigor.

If you sit at a desk all day in an office, whether you are perched on a high stool or seated in an upholstered chair, your body is inactive. You can't get much fresh air and outdoor exercise. Your blood becomes poor. You look pale and feel weak. The great tonic, Pepto-Mangan, is what you need for awhile. It makes rich, red blood. It restores your vital energy. Your color comes back. When your blood is good, full of red corpuscles you are better able to resist disease. You go about your daily work with the optimism of good health. Try Pepto-Mangan and notice how you improve. Pepto-Mangan is sold in both liquid and tablet form. Take either kind you prefer. Both have the same medicinal value. But be sure you get the genuine Pepto-Mangan—"Gude's." The full name, "Gude's Pepto-Mangan" should be on the package.—Advertisement.

TOBACCO COMPANIES OVER-STOCKED

Europe Doesn't Want Any More and American Companies Have Enough. Outlook Gloomy.

The subjoined article regards the 1920 tobacco crop and the situation of the tobacco market. It is reprinted from the Owensboro Messenger of Friday morning, Nov. 19, and says: A cable from London, England, to the United States Tobacco Journal says:

"No interest is shown in tobacco, as stocks in this market are enormous. It is reported that existing supplies will be sufficient for four years."

The preceding brief tobacco item only confirms what Owensboro tobacco men have stated for the last several weeks.

"There is no use trying to make the farmers believe that they will get a price for their tobacco that compares favorably to last year" said J. E. Bowling last night. Mr. Bowling, who is president of the Owensboro Loose Leaf Tobacco Warehouse company, has just returned from New York. While there he visited the offices of all of the leading tobacco companies. He is convinced that the American, Reynolds, Liggett & Meyers and Lorillard will not be on the Owensboro market before the first of the year. It is doubtful when the smaller companies will begin buying.

Small Companies Hard Hit

"The trouble is," said Mr. Bowling "that many of the smaller companies with capital of from \$2,000,000 to \$3,000,000, have stocks of tobacco on hand for which they paid from \$5,000,000 to \$6,000,000,000 for. They claim these tobacco stocks as assets, but they could not sell them at the present time for fifty per cent of their value. The big companies are also overstocked at high prices."

According to Mr. Bowling, the only foreign companies that will be on the local market at the start of the season will be the Imperial and Gallaher. These companies will take the top grades.

"The European countries do not want any more tobacco" said Mr. Bowling. "They have a large surplus on hand and in some instances are trying to re-ship their tobacco to this country. They have not got the money to pay for this year's crop, and some of the tobacco bought last year has not yet been paid for."

Outlook Not Bright.

James Hodge, of the Hodge Tobacco company, who recently returned from England, says that Europe does not want any more American tobacco at the present time. Mr. Hodge is also pessimistic regarding the prices that will be paid for this year's crop. The only solution for the problem, as he sees it, is for the farmers to prize this year's crop of tobacco and pledge a part of it as a guarantee that they will cut next year's crop of tobacco.

For 75 Years "The Christmas Store"

Buy Toys Early

Don't take a chance of disappointing the little tots this Christmas morning. Buy now, while stocks are complete and the selections are at their best. It is a fact that thousands of children were sorely disappointed last Christmas when they opened their bright little eyes, expecting to see the favorite toys they had so trustingly hoped Old Santa would bring them. And their disappointments were, in most every instance, due to carelessness upon the part of their elders who delayed too long in informing Santa Claus just what the kiddies wanted. Consequently, the jolly old man did not know in time that little Jane wanted, above all things, a doll with pretty brown eyes; or, that Bob had set his heart upon having one of those easy-running coaster wagons. When at last Santa did find out just what was wanted, how sorry he was that there was none left.

Don't let this happen this Christmas. Shop Early! And what a variety you will find here at "The Christmas Store." Everything everybody wants in great abundance now. Our orders were placed early and we are in splendid readiness to help Old Santa bring happiness to all his little friends.

BIG 4 ENGINEER OUT WITH FACTS

Says Tanlac Quickly Brought
Back His Old Time Health
And Energy—Feels Fine
Now.

One of the most noteworthy features in connection with the introduction and sale of Tanlac throughout America is the very large number of railroad men who have been benefited by its use.

Prominent department officials, conductors, engineers, office clerks and, in fact, men representing practically every branch of the service, have reported that they have used Tanlac with the most surprising and gratifying results.

One of the latest to testify is E. H. Bowley, Eighth and Elborne Apartments, in Prince Hill, Cincinnati. Mr. Bowley has been in the service of the Big Four railroad as engineer for forty years and has been on his present run—pulling passengers between Cincinnati and Chicago for the past twelve years. He is also a Commandary Mason and an active member of the Knights of Pythias, and is popular with all who know him. Mr. Bowley, in relating his experience with Tanlac said:

"I never thought of letting my name be used in connection with a medicine, but Tanlac has helped me and I consider it well worth recommending to anyone suffering from stomach trouble and a run-down condition."

"For some time past my appetite has been very poor and I have suffered a great deal from indigestion. I was in a badly run-down condition and had that tired feeling all the time."

"Well, what I needed was just an all-round building up and Tanlac has done that very thing. My appetite is so keen that I can hardly eat enough to satisfy me and I can eat what I want without feeling a touch of indigestion. I no longer have that tired, worn out feeling and am enjoying my usual good health and energy. I have found Tanlac unusually fine and am glad to give it my hearty endorsement."

Tanlac is sold in Cloverport at Wedding's Drug Store, in Kirk by Mattingly Bros., in Addison by L. D. Addison, in Ammons by Wm. Dutschke, and in Stephensport by R. A. Shellman.—Advertisement.

MR. RANDALL SUFFERS DISLOCATED SHOULDER.

Mr. J. B. Randall, of Louisville, an engineer of the L. H. & St. L. R. R., was taken from his train to the city hospital in Owensboro last Tuesday night suffering with a dislocated shoulder.

Mr. Randall was on train No. 143, and a short distance out of Louisville he slipped and fell causing the dislocation. When the train reached Cloverport, he was relieved by engineer Mike Monday, and Mr. Randall went on to Owensboro to the hospital.

EXCURSION STEAMER CRESCENT BURNED

At Mouth of Green River; Valued at \$75,000 and Insured for \$40,000.

The large excursion steamer Crescent, which ran several excursions on the Ohio river last summer between Evansville and points up the river, was consumed in flames Wednesday while anchored at the mouth of Green river. The boat was valued at \$75,000 and insured for \$40,000.

An overheated stove was the cause of the fire. The fire made such headway that the few men on the boat were unable to fight the flames. The boat was burned to the water's edge. It had been taken to Green river on Monday before the fire, for the purpose of remaining harbored there for the winter.

SOMETHING NEW IN CROPS

She had been visiting on a farm for a week, and was letting the world know it. Her companion also, apparently had seldom been off the brick streets.

"And how is the corn this year?" the companion asked.
"Doing just fine," was the reply, "but the alpaca needs irritating. Mr. Brown said."—Indianapolis News.

THANKSGIVING (Somerville Journal)

Thanksgiving Day is coming soon;

The turkey's roosting high,

And Cape Cod's crop of cranberries,

They say, is somewhat shy,

Mince meat can have no brandy now

A lack that some deplore,

But surely all of us can find

Things to be thankful for.

For first of all, we're all alive,

And while there's life there's hope,

And some astrologer might find

Luck in our horoscope,

So cheer up, in the face of gloom,

It is the only way,

And may it be, for all of us,

A real Thanksgiving Day!

November Wedding In St. Rose Church.

On Tuesday morning, Nov. 23, at 8:30 o'clock Miss Augusta Kaley Burke and Mr. George H. McManus were married in the St. Rose church with high nuptial mass. Rev. J. S. Henry, pastor of St. Rose, was the celebrant, Rev. J. F. Norman, deacon and Rev. Abell, sub-deacon.

The church altar was effectively decorated with white chrysanthemums and English ivy.

Miss Dollie Burke was her sister's maid of honor, and Mr. Charles McManus, of Owensboro acted as best man for his brother.

The bride, who entered with the groom wore a wedding gown of white satin. Her tulle veil was adjusted with a wreath of orange blossoms, and she carried bride's roses.

MISS JEN HARDIN, AGED RESIDENT OF MEADE CO. DIES OF HEART FAILURE.

Brandenburg, Nov. 23. (Special)—Miss Jen Hardin, an aged resident of this town died Wednesday, Nov. 17, of heart failure superinduced by Bright's disease. She had been seemingly in good health, being very active for her age, and retired the night before her death without any premonition that her demise was so near. She was found prostrated on the floor the next morning and expired in a short time.

Miss Hardin's position in life was unique. She lived alone and had no near relatives but she regarded everybody in the town as hers. She seemed a part of the town, and took a great interest in the welfare of all.
